# VIRGINIA ENVIRONMENTAL LAW JOURNAL

The Virginia Environmental Law Journal (formerly The Virginia Journal of Natural Resources Law) is dedicated exclusively to the presentation and analysis of controversial issues in environmental, energy and natural resources law. The Journal is published semiannually, in the spring and fall.

The Spring 1989 issue of the Virginia Environmental Law Journal is an agricultural symposium which addresses environmental protection under existing agricultural law. This symposium includes articles evaluating the reauthorization of the federal farm bill, farm commodity payment programs, and the regulations governing farmworker exposure to pesticides.
